

Celebrating 40 years

The Central Alberta Cutting Horse Club (CACHC) was founded in 1983 by a group of cowboys passionate about the sport of cutting.

The club held its inaugural show in 1984, marking the beginning of a legacy that has since flourished, showcasing the thrilling sport of cutting and the western way of life.

Today with 12 classes and approximately 200 members, the club attracts people from many different walks of life who all share a passion for cutting horses. The club has grown significantly over the years, attributing its success to its friendly atmosphere and welcoming spirit of its members.

We are excited to celebrate our 40th Anniversary.

**The CACHC invites you to become a Sponsor
and celebrate with us.**
