

Central Alberta Cutting Horse Club

The Central Alberta Cutting Horse Club (CACHC) was founded in 1983 by a group of cowboys passionate about the sport of cutting.

The club held its inaugural show in 1984, marking the beginning of a legacy that has since flourished, showcasing the thrilling sport of cutting and the western way of life.

Today with 12 classes, the club attracts people from many different walks of life who all share a passion for cutting horses.

The club has grown significantly over the years, attributing its success to its friendly atmosphere and welcoming spirit of its members.

The CACHC invites you to become a Sponsor.
