MISSION STATEMENT

We will provide a friendly, enjoyable, and comfortably competitive environment where support and encouragement for fellow competitors and respect for all is the standard. The good of the club and all involved is expected above all other considerations.

PURPOSE

The Central Alberta Cutting Horse Club (CACHC) was formed to provide cutting competition that offers a comfortable yet competitive environment where beginner, novice, and advanced contestants are encouraged to participate to:

- Improve ability to show a cutting horse,
- Improve ability to ride a helping horse,
- Develop show management skills,
- Provide an opportunity for new, approved judges to judge shows to gain experience.

This Handbook is provided as a resource for reference to the CACHC rules. The official online version of the rules is controlling and should be consulted for the most up-to-date version.

HISTORY

In September of 1983, friends gathered around a table, sharing stories about their passion for cutting horses. This conversation led to the creation of the Central Alberta Cutting Horse Club (CACHC), with key figures Gord Leeson, Ron Joudrey, Max Cox, and Carl Wilson at the forefront.

The following year, in 1984, the club celebrated its inaugural show, with the guidance of seasoned cutters, Bill Collins and Bill Conrad. Since then, the club has maintained a rich tradition of hosting cutting horse shows in Alberta, spanning from Edmonton to Calgary, during the Spring to Fall months.

As a grassroots club, the CACHC is committed to making cutting events affordable and welcoming for everyone. Our membership is diverse, including both seasoned veterans and new riders. This diversity enriches our club, allowing cutting horse enthusiasts to come together and celebrate their passion for the sport.

The CACHC is focused on preserving and promoting the cutting horse while offering a fun environment for horses, owners, and riders alike.

 - NCHA Earnings available at <https://www.nchacutting.com/ncha-shows/secretary-tools/rider-eligibility>
 - Youth class earnings do not count towards LTE
 - CACHC Earnings available at the CACHC Office
- If a horse or rider begins the show season (January 1) eligible for a class, it will remain eligible for that class for the entire year.
- Horses must be of sound sight, wind, and limb to be judged.
- Owners and riders shall ensure the good behavior of their animals both in and outside the working area of the arena. Any horse deemed to be unmanageable may be dismissed.
- Stallions, mares, and geldings of any breed are eligible without discrimination.

YOUTH

To purchase a youth membership and compete in the youth classes.

- You must be 18 years of age and younger on January 1 of the current show year.
 - For example, a member who has a birthday to turn 19 on February 1 of the current year, is eligible to show throughout the current year as a youth, because the member was 18 years of age on January 1.
- There will be 2 youth classes: Youth and Youth Ranch.
 - Each Youth Class will have 2 age divisions: Senior and Junior.
 - Age division determined by age on January 1 of the current show year.
 - Junior Youth - 13 & Under years old
 - Senior Youth - 14 – 18 years old
- Age divisions will run Integrated / Drawn Together within the class. *
- Judging Rules
 - Youth – NCHA Judging Rules
 - Youth Ranch – CACHC Ranch Judging Rules
- Youth are not permitted to show stallions in any class.

 - \$25 Entry Fee – no other fees will be charged.
 - Youth classes will run on used cattle, compliments of the CACHC.
- Youth may compete in any class they are eligible for, including the Youth classes.

** Integrated / Drawn Together - This is where you use 1 draw and have multiple classes run using that same draw. For example, 7 entries need to go in the set, 3 from the Sr. Youth and 4 from the Jr. Youth. Instead of having the 2 classes go one after another, you draw all 7 entries randomly - all mixed. The judge only has 1 score sheet. The Club Secretary will break the riders/horses into placings for the respective classes for payouts and results.*

DEFINITION OF A NON=PROFESSIONAL

A Non-Professional is a person who has not shown, trained, or assisted in training reining horses, cow-horses, or cutting horses, or cutting, reining, or cow horse riders for remuneration, directly or indirectly, and has not been paid to work in any manner in the above named activities on the premises of a cow horse training operation.

A non-professional in this Association may not train horses in any equine discipline. Anyone participating in the previous activities will forfeit his or her Non-Professional status. In the event that a member who has Non- Non-Professional status publicly exhibits in any CACHC-approved contest a cutting, reining, or cow horse not owned by the member or the member's spouse, father, mother, minor son, or daughter, the said status will be automatically revoked. Eligibility for Non-Pro riders shall be determined on a case by case basis by the CACHC directors whose decision will be final.

Upon written notification to the CACHC, and after having received permission, a non-professional will be permitted to show a horse he/she does not own in a maximum of three (3) approved shows, either open or novice horse classes only, provided the horse and shows are named with dates, and there is no remuneration received directly or indirectly (monies won are not considered remuneration). Only one such permit will be granted a rider for a given horse, and points won will not count toward any CACHC annual award, title or certificate.

If a class only has one contestant, they will receive 1 point, providing they marked higher than 60.

* Please Note: Although no points are awarded for finishing in last place, a score of 60 or 0, these scores will still be included in the overall count of shows attended during the year.

YEAR-END STANDINGS AND AWARDS

- Year-end standings will be posted on the CACHC website.
- The show season will begin the first of January of any given year. During a show season, points will be awarded to horses for their placing in any approved CACHC class. *Points for the entire season are totaled for the final standings.*
- For each class, a rider and/or horse must attend 50% of classes offered through the show season to be eligible for year-end awards. A class offered but later canceled because of insufficient entrants - further to the CACHC General Rules - will still be included in the number of classes offered when calculating the percentage of classes attended.
 - The CACHC will round down on an odd number of total shows for the year when calculating 50% of the total number of shows to attend. For instance, if there are 10 shows offered, you must attend 5 shows. If there are 9 shows offered, you must attend 4 shows.
- A cumulative tabulation of all points earned by all horses during the show season will be kept at the office.
- If there is a tie for a placing in the points for year-end standings, the horse with the highest earnings will be declared the winner.
- Year-End Awards will be presented to a minimum of 3rd place.
